

Year 9 Health RELATIONSHIPS ASSESSMENT Pg20

Students work on 'managing self' in this assignment, as they are required to have good time-management (getting assignment handed in on time), and completing the assignment to an adequate level.

You must choose ONE of the following options, and hand it in on the _____
.....

1. Discrimination Poster:

Choose a topic from the following list:

- Gender differences
- Body size
- Intellectual or physical ability or disability
- Race
- Religion

Investigate this topic and present a poster, including the following information:

- Give some general information about your topic.
 - List some values and attitudes that cause discrimination.
 - List how the discrimination might make the victim feel.
 - What are some ways that the victim could be supported?
 - What could be some advice you could say to the discriminator (bully)?
-

2. Friendship Pamphlet:

Produce a pamphlet, and include information on the following topics:

- What skills do you need to be a great friend.
- If your friend had a problem, who could you tell them to talk to?
- Suggest some problems that friends might encounter when they begin high school, and list ways that you could overcome these problems.

MARKING SCHEDULE FOR BOTH ASSIGNMENTS:	
Level 5	All information is in depth and detailed, and all parts have been answered fully. Presentation is eye-catching and neat, and has some pictures.
Level 4	All information has been covered, including examples. Tidy presentation.
Level 3	Most areas covered. Tidy presentation.
Level 2	Some areas covered.
Level 1	A few areas covered. Presentation requires more effort.
