

Burnside High School
Internet Permission Form

Permission for using the Internet, a Mobile Phone or other Electronic Device

(a) Computer Internet Access

Burnside High School makes the Internet available to students for use in many subject areas and in library research. However, before being allowed to access it, students must have their parent or caregiver's written permission and they, and their parent or caregiver, must agree to abide by the school rules concerning the use of the Internet and Other Electronic Devices.

We have taken steps to make Internet use as safe as possible and access is filtered by special software. We have also put in place rules for its use that discourage practices that might be harmful, inappropriate or hurtful to themselves or others.

(b) Use of a Mobile Phone or other Electronic Device

Burnside High School accepts that there are many advantages in students having access to Mobile Phones and other Electronic Devices while at school but that there are also risks that they might be used in a way that disrupts learning or is harmful, inappropriate or hurtful to the student or to others. We have also put in place rules to minimise these risks.

Requirements for using the Internet, Mobile Phones or other Electronic Devices at Burnside High School:

- Normal school rules and standards of good behaviour apply.
- Access is a privilege, not a right, and misuse is likely to lead to the loss of the privilege.
- Staff may review the contents of devices being used on the school network or at school to ensure that students are using the technology responsibly.
- Students should not expect that files stored on school servers or disks will always be private.
- Mobile phones and electronic devices must be turned off during class time or while involved in school activities, such as assembly, unless directed otherwise by the teacher for a specific learning purpose.

The following are not permitted:

- Accessing or attempting to access inappropriate websites.
- Sending unsolicited bulk emails (spam).
- Displaying offensive messages or pictures.
- Using obscene language.
