

Burnside High School Borneo Expedition December 2020

Dear Parents/Guardians,

Burnside High School is excited to announce the launch of another Antipodeans Expedition, this time to Borneo departing in December 2020! Open to all current Year 11 students, this once in a lifetime Expedition gives your child the opportunity to embrace the world beyond the classroom whilst developing skills of leadership, resilience and mindfulness.

Borneo Expedition Highlights!

- Contribute to a sustainable, hands-on community service project aligned with UN Global Goals.
- Participate on an adventurous team trek and summit Mt Kinabalu – the highest mountain in South East Asia!
- Explore the incredible markets in Kota Kinabalu or Kuching, discover the amazing Orangutan Sanctuaries or visit the national parks and snorkel or relax on the beach.

I would like to invite you and your child to a dedicated presentation where we will discuss the Expedition and its benefits, the pre-departure program, safety and back-up procedures, fundraising support and answer any questions you have about this unique and rewarding educational opportunity.

Wednesday 28th August 2019, 6:30pm – 7:30pm, School Staffroom

PLEASE REGISTER FOR THE INFORMATION EVENING VIA THE LINK BELOW:

What do students gain?

An Antipodeans Expedition is first and foremost 'student-led'. Facilitated by a highly qualified Antipodeans Leader, students are encouraged to work together to manage the team budget, accommodation, transport and meals throughout their journey accompanied by 1 or 2 teachers. This drives students to make real-world decisions, take responsibility for their actions; and in the process, develop vital life skills. Guided by an expert support team and leader, students gain a true appreciation of their host country, learn to work together as a team, become 'global citizens' and of course, have the time of their young lives!

About Antipodeans

The Expedition is managed by student travel specialists, Antipodeans, who bring over 28 years' experience in conducting high school Expeditions through 30+ developing countries and with whom we have travelled with on an Expedition to Ecuador in 2017 and the upcoming Costa Rica expedition at the end of 2019. You can read more about Borneo on our website at: www.antipodeans.com.au/borneo

Rewarding, hands-on community service projects are the central focus of this Expedition. Antipodeans' carefully selected projects are sustainable and safe, provide local employment and are created in consultation with local communities, many of whom have been working with Antipodeans for a number of years.

This is truly a once in a lifetime experience that we encourage you to find out more about! If you have any difficulty registering for the event, please don't hesitate to contact us using the details below.

Warm regards,

Burnside High School
